Till date, Danube Properties has launched thirteen properties in Dubai, which includes Dreamz, Glitz 1, Glitz 2, Glitz 3, Starz, Glamz, Lawnz, Jewelz, Bayz, Resortz, Miraclz, Elz and Wavez each of which exhibits a supreme quality of construction material, equipment, and home interior supplies. Aimed at offering luxury at affordable prices, the company has particularly garnered interest from mid-income sections, resulting in the nine projects being ‘Sold-out’.

All Danube Properties’ projects have enjoyed phenomenal success since their launch; the affordable prices and flexible payment plan offered, combined with the development’s convenient location and a wealth of ultra-modern facilities for 21st-century living, has proved very appealing to buyers. Currently, Danube Properties has an impressive book value of AED 1.6 billion worth of super successful projects with construction over 7.2 Million Square feet.
